

SOME OF OUR ALMOST 20 VOLUNTEERS

TESTIMONIALS

We are a group of people who suffered loss from the 2008 Summit fire. This event devastated the lives of many people as their houses burned down with little means to rebuild again. The food donations have helped support families who lost everything by giving them some healthy food to eat. We are all very grateful for the generosity of the stores who have given us continual sustenance over the years. I would also like to thank Jim and Leisa Johnson, for their hours of time and energy, coordinating deliveries and food pick ups. It is with much gratitude that I acknowledge them for their dedication and concern. All of us thank the donors that have made it possible for families to receive these food donations. Elena

We want to give testimony that many families are being blessed by this wonderful food outreach led by Jim and Leisa Johnson. We are happy to be part of this and hope to continue helping for many more years. – Roberto and Amalia

HISTORY

In 2008 the Summit Hill Fire destroyed 35 homes in the Santa Cruz Mountains. Soon after the fire Jim went up to the fire area and discovered people living in tents and cars and no one helping them. Jim and a few friends started helping them. Soon it grew to over 190 volunteers helping for several years and out of that effort grew Fishnet Care and Share. Currently, with daily food donations, between one and two thousand people are being fed with the help of volunteers.
